ANDOVER BRIDGE REHABILITATION WILL REQUIRE ROAD CLOSURE
MAPLE STREET BRIDGE OVER NH RAILROAD

The New Hampshire Department of Transportation announces the planned rehabilitation of the Maple Street Bridge over New Hampshire Railroad in Andover will require the bridge's closure for approximately eight weeks.

This work is expected to begin Monday, December 29, 2003 and continue daily from 7:00 am to 3:30 pm until February 20, 2004.

Warning signs will be used to alert motorists to the bridge closure and detour, which will be via NH Route 11 to Channel Road.
